

EXCEPTIONALLY GOOD TOOLS!

THE 4-IN-1 SCREWDRIVERS

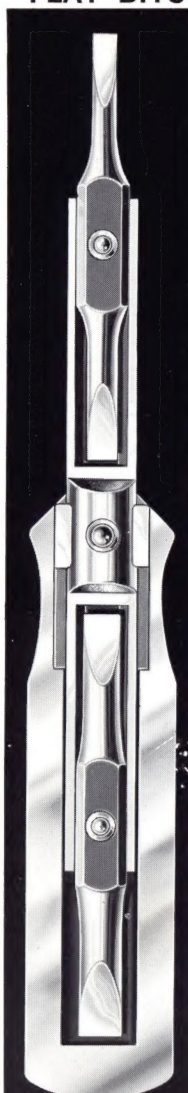

PATENT PENDING

- DOUBLE END HEX BITS HELD IN EACH END OF HEX TUBE
- SPRING-BALL INSERTS FOR FIRM HOLD & EASY REMOVAL
- BITS REVERSIBLE IN TUBE → TUBE REVERSIBLE IN HANDLE
- INSTANT BIT CHANGE BY JUST REVERSING BITS OR TUBE

More practical — and time saving — with the 4 sizes of Bits in Hand for ready use!
And these tools SAVE up to 50% in cost — compared to four like quality Drivers!
In fact, 4 Clutch Hd Screwdrivers averages about twice the price of our 4-IN-1.
These outstanding features are combined with the finest quality Alloy Steel Bits
and tough shockproof Plastic Handles — for those who want the latest and best!
